# EarthBucks for Earth Charity Drive:

## Turn Your EBX into Trees!

Announcing EarthBucks for Earth Charity Drive Round 2. When you send me EBX (66 EBX minimum, 700 EBX maximum per participant), I will personally donate $0.30 to the Arbor Day Foundation for each EBX received. This will result in the planting of 10 to 120 trees, celebrating the launch of EarthBucks 1.0!

**Donation Details:**

- **Where:** Arbor Day Foundation
- **Acknowledgment:** Donations will be made by me in honor of the name you choose — be it your own, an organization, or a pseudonym.
- **Certificate:** Opt for the PDF certificate of donation to be posted publicly to the EBX Discord and Telegram channels by myself or request a physical certificate mailed to you by the Arbor Day Foundation (address required for mailing).

Your tree planting will be recorded in the Arbor Day Foundation's Tree Registry, which you can view here.

**Next Steps:**

- **Donate:** Please send donations to Jen@earthbucks.com, provide an honoree name for the acknowledgement, and specify your preferred method to receive the certificate as a private message on the EarthBucks Pay page. **Round 2 donation period closes 3/4/2025.**

**Accountability:**

- I have committed to providing proof of donation, which will also be listed in the tree registry (listing times may vary).
- Ryan has the discretion to ban me from his services should I fail to fulfill this commitment, as that would be an abuse of the service.

Thank you for supporting Earth! Stay grounded.
